

Life

in memory of Allen Wayte

E. Pauline Johnson

Jeff Enns

But yes - ter-night we laughed to view, but yes - ter-night we
laughed to view the stars that sail in seas of blue, To -
day we wake 'neath grey - er skies, To look on
To look on life with diff - rent eyes
life with diff - rent eyes, with diff - rent eyes, A -
with diff - rent eyes

18

las! how man-y stars are set, for which we're long-ing, watch - ing, watch - ing

22

yet, — O use - less hope! O eyes that burn! The

26

stars you love will not re - turn, the stars you love will — will not, will

30

not re - - - - turn.
